

Category		Trail Name	Description	Area / Getting There
Just Learning		Snubber	Dedicated learning area, serviced by its own Lift, Kissin' Cousin	West Basin, easily accessed from Governor's Lodge
Longest		Upper & Lower Bear Claw	The top gently winds down from the summit, then becomes wider and easier on the lower portion	Take the gondola to the Summit and exit right for the entire run; or the Kancamagus Express to the lower trail
Groomer		Boom Run	An easy cruiser with several pitches	Top of South Peak, skier's right
Groomer		Upper & Lower Picked Rock	Easy but narrow, New England style upper portion; opens to a wide cruiser	Exit the Gondola to the right and follow the signs. There are several Blues and a Green to try from here
Scenic Cruiser		Cruiser	Long wide cruiser with some steep pitches, dips and rolls. Top trail in the Northeast, enjoy the views of Cannon Mountain and Mt. Washington	From Pemigewasset Base Camp, take the Lincoln Express and exit left
Fresh Corduroy		Rampasture	One of the most popular runs on the lower part of the main mountain; it's wide and nearly always groomed	Accessible from any of the trails off the right of the Gondola summit or from the top of the Kancamagus Express Quad
Showing Off		Northstar (Upper & Lower)	It's exhibition time here; straight shot down the fall line under the Kancamagus Express Quad	Directly underneath the Kancamagus Express; look on the way up to prepare
Burner		Walking Boss (Upper & Lower)	The upper portion is steep and medium wide but opens to the lower part where you can cruise and catch your breath	Exit the North Peak Express Quad to the left
Steep		Flume	Steepest groomed run on the main mountain; this straight shot down the fall line is a local's favorite	Directly under the North Peak Express Quad; enjoy stunning views of the Presidential Range on the way up
Bumps		Triple Trouble	One of the steepest trails at the resort and rarely groomed, so be ready for bumps	Easier to reach from the East Basin Double (but runs only on the busiest days). Otherwise, take the Gondola or North Peak Express
Glades		Bucksaw	Loon's steepest glade with the highest trees	From North Peak; take Upper Flume and cut right at Haulback, then stay left
Glades		Undercut	A true black diamond glade - long, steep with plenty of trees	From South Peak, cut into the trees from the skier's right on Cruiser or left on Ripsaw
Steep Groomer		Ripsaw	This run lives up to its name. It's steep and crosses the fall line a couple of times	From South Peak follow Boom Run and watch for it on your skier's left
