

TOP TRAIL PICKS

Category		Trail Name	Description	Area / Getting There
Learning		Iroquois	Wide, easy slope sheltered by trees	Take the Lightning Quad or head down from the Overlook Lodge
Burner		Roaring Brook	Longish, straight run, good for building up some speed	Exit Superchief to the left and follow the signs as you pass several blacks and a blue
Easy Scenic		Deer Run	Long, meandering, scenic run through the woods with plenty of turns; follow this all the way to the Gondola base	Exit the Gondola or the Tomahawk Quad to the right
Steeper Groomer		Seneca	Steep at the top; relatively quiet and a good place to pick up some speed	Exit Tomahawk to the left
Fresh Powder		Cathedral Brook	A bit of a hike up; generally ungroomed, makes this terrain a bit more difficult	Exit Superchief to the left and follow the signs as you pass several blacks and a blue
Bumps		Yahoo	The top is generally bumps before it transitions into a good intermediate run for practicing turns	Exit Lift 7 to the left
