

TOP TRAIL PICKS

Category		Trail Name	Description	Area / Getting There
Easy Scenic		Mossy Brook	An idyllic green that cuts through the trees	Main Mountain, Exit the B Lift to the left and follow Gateway or B Flat; both lead to Mossy Brook
Longest		Belt Parkway	The Belt wraps around the mountain and offers top to bottom blue terrain	Main Mountain; From the front of the Summit Lodge, the trail is on the skier's left
Steeper Groomer		Hellgate	Runs right under the main lift, this is your widest black diamond that is a dream to go down early in the day	Main Mountain; Head directly under the Kaatskill Flyer and stay right
Steep		Twilight	One of the newer runs on the mountain, Twilight starts out easy before plunging down on a turn - dig in and have fun!	Hunter North; Exit Northern Express to the right and connect via Way Out; or look out for Way Out from Belt Parkway
Bumps		Lower K27	Steep, big bumps with a long runout to help you recover	Main mountain, accessible via Upper K27 or the beginning of Minya Konka (but make sure to bear right)
